- REACTJS
- HTML5/CSS3
- GIT

Languages

Spanish (Native)

English (B1)

Formal Education

Degree Systems Analyst

UNLa (2020 - 2021)

First year completed.

About me

Fullstack Developer Trainee.

I did one year of degree in systems analyst where I learned C. In the second year I realized that what I really liked was programming language and I went into web development, where I learned front-end and back-end.

I like cats 🐱

Professional experience

Cybersecurity technical assistant

EDSI Trend Argentina (May 2022 – In course)
